

BUREAU GIVES ONLY RELIABLE MEANS OF AID

County Agent Edgerton Asks Farmers to Place Confidence in Recommendations.

In a circular mailed to members of the Rock Island county farm bureau today by County Agent Palmer R. Edgerton, attention is directed to the stand of the bureau with regard to information furnished members along agricultural lines. County Agent Edgerton remarks that he has heard reports to the effect that information given concerning the combination of the dormant and cluster bud spray as a safe and economical practice was not advisable. He states that the farm bureau would like it generally understood that it stands for reliable and up to the minute agricultural information and that it is not making recommendations that cannot be safely followed.

As proof of the bureau's position in the matter at issue, he submits a copy of a letter from T. J. Talbert, horticulturalist at the Missouri experiment station, in which the practice of combining the dormant and cluster bud spray is advocated.

FIREMEN FEELED AT FALSE ALARM CALLS; REWARDS

The Rock Island firemen at 4:12 o'clock yesterday afternoon answered a call to the home of Julius Dhooge, 215 Ninth street, where a small roof blaze was extinguished. Damage was nominal.

At 1:45 o'clock this morning the firemen answered a false alarm call sent in from box No. 63 on Fifth avenue and Twenty-eighth street.

Assistant Fire Chief Joseph Valentine called attention today to the expense involved upon the tax payers whenever the fire trucks are called out, and repeated the request that citizens be watchful of persons sending in false alarms.

The city offers a reward of \$50 for information leading to the arrest and conviction of any man, woman or child sending in false fire alarms.

In addition to the expense attached to the trucks making their runs there is always a certain element of danger of collisions with automobiles and running down pedestrians. It was after considering these dangers that the city decided to offer a reward for persons giving information of any one sending in false alarms.

Will Send Men from Springfield District—Rock Island Arsenal.

There will be 450 men enlisted by the ordnance department of the United States army, from the Springfield district, a large number of whom will be sent to the Rock Island arsenal, according to a report given out to a Springfield paper by Captain Skinner, head of that recruiting district.

Colonel Harry B. Jordan, arsenal commandant, questioned about the enlistments as they applied to the arsenal, said that he had received no official notice to that effect, but that the department needed men and he "would be delighted to get as many as possible."

The recruits to the department will serve a term of one year. Men of army age will be accepted regardless of their previous service. The opportunity affords a chance to learn a trade of the manufacturing of equipment used by the army.

COLLEGE ORATORS MEET TWO SCHOOLS IN DEBATE FESTS

On Thursday evening of this week Augustana will engage in her second forensic conquest of the season when her teams meet Monmouth college and Illinois college in a triangular debate.

These same local teams met St. Olaf's college of Northfield, Minn., in a dual debate on the 25th of March, and succeeded in splitting the decisions of the judges, the negative team winning on the home floor and the affirmative organization losing to their hosts at Northfield.

Monmouth, who sends her team here to meet Augustana's affirmative, will also be well seasoned for the contest, having seven of her former debaters back in school this year. They are debating the same question with Carthage college tonight in a dual meet.

Illinois college is also a formidable rival, and in the past her contests with Augustana have been pretty even.

The team which will debate on the home floor is composed of Frazier Vance, Karl Swanberg and Lester Palmer. Palmer debated in the Omaha high schools, and Vance was on the local high school team in 1917.

Meet at Jacksonville.

The team which makes the pilgrimage to Jacksonville is composed of Roy H. Johnson, E. Einar Kron and C. Edwin Munson, with Malvin Lundeen acting as alternate. Munson won one of the prizes in the state oratorical contests where he represented the Omaha high school.
